

PICO PROJECTOR PK120

SHARE LIFE WITH PICO

Designed for portability—
Palm-sized, lightweight and rechargeable

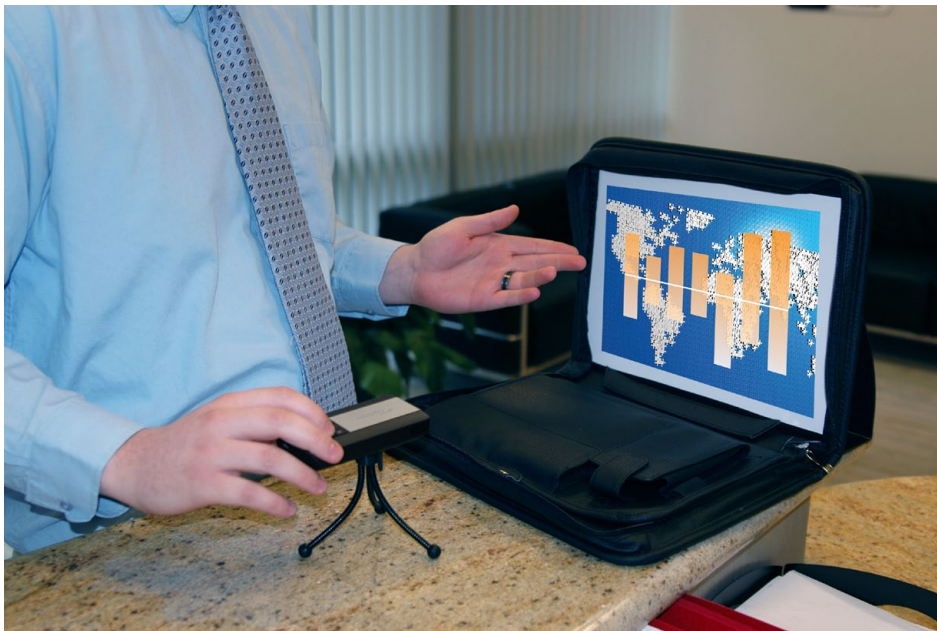

Manufactured for longevity—
Bright LED light source lasts over 20,000 hours

Made for PC-free projection—
Display movies, photos and MS Office files directly through an integrated viewer

Made to be personalized—
Choose between the included silver or red bezels to change the look instantly

Whoever said “you can’t take it with you” has never experienced the PK120 Pico pocket projector. Store your business files on the 2GB onboard memory for professional presentations anywhere. Share your favorite memories and multimedia content with friends and family quickly and easily with widescreen images of up to 70 inches. Display content directly from laptops and PCs through the VGA adapter. Do it all from one small, powerful palm-sized device.
